Student Care Department

# Activity Guide

## Student

**Our students...**

**Together we start student care activities**

**Student care is not a job that provides services to the student, but rather a message towards**

**The students are exposed to various qualitative activities, which in turn result in students who are responsible for**

**Responsibility and become leaders who have a role in society, and student care activities**

**"Social - Sports - Cultural - Artistic - Family - Rovers and various services, including general -**

**Scientific and Technological - Social Solidarity - Unions" develop and innovate**

**Its goal is to create a conscious generation full of diverse experience and skills annually**

### **Student Unions**

Student unions are formed from the regular collective college students enrolled in them to obtain

Bachelor's degree or licentiate degree and those who have paid the union fees, and for foreign students

Affiliated students who pay union fees have the right to practice all activities.

The Union's members do not have the right to vote or run for office.

#### **Student unions aim to achieve the following:**

-1 Developing spiritual and moral values and national awareness among students, accustoming them to leadership,

and providing opportunities to express their

opinions. -2 Spreading a healthy university spirit among students and strengthening ties between them and faculty

members and employees of the university community.

-3 Discovering, refining and encouraging students' talents, abilities and skills.

4 - Spreading and encouraging the formation of families and supporting their activities.

-5 Disseminating and organizing sports, social, artistic, cultural, scouting and climbing activities.

Raising its level and encouraging its top students

1- Organizing the use of students' energies in serving the community in a way that benefits the community.

The university and the country are doing well and progressing. **The College Student Union Council works to achieve the goals of the student unions**

**through the following committees:**

-1 Student Families Activities Committee

-2 Sports Activities Committee -3

Cultural Activities Committee

We have a word

Our dear sons, college students,

we are pleased to offer you our warmest and most beautiful congratulations at the beginning of the academic year. Welcome to the Youth Care Department to fulfill your interests and desires in social, sports, cultural, artistic, scouting, student family, and scientific activities, and other activities that keep pace with the times in order to meet your needs until you become leaders.

The competent future. This system is completed thanks to a group of specialists.

The committees' advisors are athletes and technicians, including professors and faculty members.
